

include/ackermann.hpp

```
graph TD; A[include/ackermann.hpp] --> B[iostream]; A --> C[vector]; A --> D[utility];
```

A diagram illustrating the dependencies of the file `include/ackermann.hpp`. The top box, labeled `include/ackermann.hpp`, has three arrows pointing down to three separate boxes below it: `iostream`, `vector`, and `utility`. This indicates that `include/ackermann.hpp` includes these three headers.

iostream

vector
